Attending: Teresa, Kim, Janine, Lyndell, Vicki

Commenced: 5.35pm Concluded: 7.45pm

1. 'Safe food handling at Temporary Events Guidelines' were brought to meeting. Council has agreed to us holding sausage sizzles provided that we observe these guidelines. The sizzles will commence Sunday the 17 September. Roster to be organised next meeting. Janine researched cost of tent suitable for sausage sizzle as per guidelines. Around \$300 - \$400. Cafe owners will be advised of sizzles prior to gear being purchased. Ray Baldry from Grumpy and Sweethearts was notified of the Committee's intention to hold sausage sizzles. He was cautiously OK with it.
A possible location would be in the carpark between Collective and Hidden Treasures. Access to power, water and washing up facilities would be more convenient there.

All those present agree that the activities asterisked should go ahead. Next step is to brainstorm what we need for each, and to create backdrops. Kim and Lyndall suggested Carol Dale might do them at cost? It was decided that they would be better done on MDF and secured with star pickets.

3. Purchase of chocolate wheel has unanimous approval, Janine found on eBay for \$80. Will be ordered closer to the Gala.

4. Samples of proposed children's prizes for Gala activities were brought to meeting by Janine. All present agreed that these were terrific, and that 30 units of the 20 different toys should be ordered. Janine indicated that Richard could do this while he is in Bali.
